2015 Jetta
Feel. It’s more than a feature. It’s not just about bells or whistles. It’s about the fundamentals of German engineering, craftsmanship, and attention to detail that make Jetta so dynamically Jetta. Tactile and tangible, these signatures of design and quality create a difference you can not only see and hear, but most importantly, feel. Isn’t it time for German engineering?
Form follows function, which leads to fun.

Design. Everything about the Jetta is designed with a purpose. It’s not just meant to be refined and beautiful, it’s meant to be driven and enjoyed by everyone who can appreciate the simple curve of a hood, as well as an S-curve on a mountain road. Because if everyone can’t have fun with it, what fun is that?

Bi-Xenon headlights* Brighter with better visibility at night than traditional halogen headlights. The Adaptive Front-Lighting System (AFS) can also turn the headlights up to 15 degrees to help you see. And be seen.

Heated power side mirrors. Look behind those beautifully designed side mirrors and you’ll find they’re heated. So when your view of things starts to fog up, you can have a clear view.

Redesigned front and rear exteriors. Both the front and rear of the Jetta were redesigned to look more sporty and refined, which gives the Jetta more presence on the road. We think you’ll like how it looks, coming and going.

18” alloy wheels* Bi-Xenon headlights with LED Daytime Running Lights (DRL)* Side mirrors with integrated turn signals* LED taillights* Foglights* Interior ambient lighting*}

*Feature available on select models.
And make a lasting impression.

Quality. It’s something you just know when you see it, feel it, and—in the case of the Jetta—hear it. From the smallest details to the fit and finish, the Jetta is quality—built from the ground up. Like how the car body gets treated with hot wax flooding, a process that helps support our 12-year Unlimited Mileage Corrosion Perforation Warranty. *And that goes a really long way in our book.

Built to last.

Forged-steel door hinges. These hinges are forged to be strong and durable. You’ll find them looking for the reason your Jetta makes that solid “thunk” sound when you close the doors, look behind doors numbers 1, 2, 3, and 4.

Laser seam welding. Another process that helps give the Jetta that solid feel. Unlike spot welding, which can leave gaps, laser seam welding creates continuous sealed seams, resulting in a more rigid chassis and a noticeably seamless roof.

Soft-touch dashboard. An available feature that gives the Jetta that premium look, and especially feel. Sit down and you’ll instantly want to run your hands across the dash. Sometimes it’s the small touches that make the biggest difference.

*See dealer or warranty booklet for details; some restrictions apply.
Move in the right circles. And straightaways.

Performance. You’ll feel like you belong once you’re firmly in the driver’s seat. Give the engine its first few revs, and you’ll know you belong out on the road even more. The Jetta gives you multiple ways to get there with a 2.0L engine. Or choose from one of the other available engines, including a lively 1.8L TSI® engine, an even-happier 310-hp turbocharged engine. Or an efficient 2.0L TDI® Clean Diesel engine. Whichever one you choose, you’ve never been more upwardly mobile.

1.8L TSI
This available lightweight, turbocharged 170-hp engine gives you the best of both worlds. Around town, it’s fuel efficient and fun, but when you need more extra oomph, the turbocharger kicks in right when you need it.**

6-speed automatic transmission.
Sit back and enjoy the available 6-speed automatic transmission. Or live on the edge of your seat by changing gears manually in Tiptronic® mode. Either way, you won’t want to be sitting at a stoplight for long.

Multi-function sporty steering wheel.
You probably recognize this kind of steering wheel found in most race cars, but now you’ll see how it inspired every steering wheel found in a Jetta. Designed with a sportier look and feel, it will make you want to take that next corner in no time flat.†

Sporty gauge cluster.
The gauges of the Jetta stand out for a reason — they were redesigned to bring the driver closer to the whole driving experience. See what happens when engineers get to test-drive cars on the Autobahn all day?

Sit back and enjoy the available 6-speed automatic transmission. Or live on the edge of your seat by changing gears manually in Tiptronic® mode. Either way, you won’t want to be sitting at a stoplight for long.

2.0L TDI Clean Diesel
Talk about performance. This available turbo-diesel engine gets 46 hwy mpg and gets up to 667 miles on a single tank of fuel. * So go ahead and take the long way home. But only after you take the long way there.

Multi-function sporty steering wheel.
You probably recognize this kind of steering wheel found in most race cars, but now you’ll see how it inspired every steering wheel found in a Jetta. Designed with a sportier look and feel, it will make you want to take that next corner in no time flat.

150 236 HORSEPOWER LB-Ft OF TORQUE LB-Ft OF TORQUE
2.0L TDI Clean Diesel
1.8L TSI

*31 city/46 highway/36 combined mpg (2015 Jetta TDI Clean Diesel 2.0L, manual transmission). 667-mile range based on 46 hwy mpg engine fuel economy and assumes city driving for 50% of annual mileage; actual range will vary. **25 city/37 highway/30 combined mpg (2015 Jetta SE 1.8L TSI, automatic transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition. †Always obey speed and traffic laws.
Rearview camera. An available rearview camera helps you see what’s behind you when you’re backing up or parallel parking. And with the available Blind Spot Monitor with Rear Traffic Alert, you’re alerted when an approaching object is in your blind spot when in reverse. What a way to stay ahead while backing up.

Touchscreen navigation. This available touchscreen navigation system gives you turn-by-turn directions to anywhere you want to go. Even if you’re just looking to get lost on a long drive.

Bluetooth® with audio streaming. Once your compatible device is synced, you’re ready to make calls and stream your music. All while keeping your hands where they belong: on the steering wheel.

**Do not rely exclusively on Blind Spot Monitor. Always check surrounding traffic and use your turn signal. The feature’s function may be limited and depends on many factors. See Owner’s Manual for details.**
Stay connected on every getaway.

Technology. The Jetta comes complete with an impressive IQ. Find your way back home with the available navigation system with 5-inch color touchscreen. Get lost in your favorite playlist with iPod®/iPhone® integration. Help make parking and backing out of your driveway a cinch with an available rearview camera. And if you ever need Roadside Assistance, you’ve got Volkswagen Car-Net® connected car features.** It sounds like a no-brainer to us.

Push-button start with available keyless entry†
Touchscreen sound system†
SiriusXM® Satellite Radio with 3-month trial subscription†
Fender® Premium Audio System†
HomeLink®†

Volkswagen Car-Net® connected car features. With available VW Car-Net you can be synced and supported on the go—everything from finding a restaurant to getting Roadside Assistance** It’s never been easier bonding with your Jetta.

Push-button start with available keyless entry†
HomeLink®†

Sel shown in Titan Black

Rain-sensing wipers.†
When it starts to rain, the windshield wipers of the Jetta can automatically turn on. They are also able to adjust their speed according to how much rain is falling. Really, who needs a weather report?

HomeLink®†
Pulling up to your house doesn’t mean pulling out the remote. The available HomeLink® system enables you to open and close your compatible garage door and front gate, and to turn your home’s security system, lighting, or other compatible devices on and off.
Rain-sensing wipers.†
When it starts to rain, the windshield wipers of the Jetta can automatically turn on. They are also able to adjust their speed according to how much rain is falling. Really, who needs a weather report?

Fender® Premium Audio System†
Push-button start with available keyless entry†
**Dual-zone automatic climate control.**

Sometimes it’s too hot. And sometimes it’s too cold. In the Jetta, it’s never a problem with this available dual-zone automatic system where both front passengers can get their temperature just right.

**Heated front seats.**

The Jetta can help keep your seat warm. With three different heat settings for you and your front passenger, these available seats will let you sit in the lap of luxurious warmth.

**Roomy interior.**

Bring some friends along for the ride. With plenty of rear seat legroom, the Jetta offers a spacious ride for all passengers. And with 60/40-split folding rear seats, there’s no reason to leave anything behind.

**One size fits all.**

Comfortably.

Interior. Feel free to invite your friends. And their friends too. The Jetta brings comfort to a whole new level. So take your seats, roll down the windows with just a single touch, and let the sun shine in from the available sunroof. Of course, the Jetta won’t just fit your friends — the trunk has 15.5 cubic feet of space that will lead you to all-new adventures. We’ve got to say, we like the way you carry yourself.

**Cruise control**

**6-way power driver seat**

**Power tilting/sliding sunroof**

**Dual-zone automatic climate control**

**Multi-function sporty steering wheel**

**V-Tex leatherette seating surfaces**

**Rear seat pass-through**

*Feature available on select models.*

SEL shown in Titan Black.
Protection you can count on.

Safety and Driver Assist: We know anything can happen out there. That’s why we designed safety features to help protect you and your passengers. And now you can get a little more help out there with new Driver Assist features like available Blind Spot Monitor with Rear Traffic Alert. It’s engineering like this that earned the Jetta a 2014 IIHS Top Safety Pick+ when equipped with available Forward Collision Warning.* There are advantages to playing it safe.

Safety cage
Adaptive airbags†
Intelligent Crash Response System (ICRS)††
Six stability-enhancing systems
Tire Pressure Monitoring System (TPMS)

For countless situations.

Blind Spot Monitor with Rear Traffic Alert.
Available proximity sensors can help detect if another vehicle is coming up from behind or alongside you.‡‡ So whether you’re backing up or trekking forward, the Jetta will alert you when a car is in your blind spot.

Forward Collision Warning.
The available Forward Collision Warning system can help alert you to what’s ahead.‡ If you approach an object too quickly, this system can provide visual and audible warnings. One more way we’re looking out for you.

Adaptive airbags. Our airbags are designed to adapt to crash severity, and special sensors in the doors help deploy the side airbags faster in the event of a side impact.† We’re thinking ahead, from many angles.

Intelligent Crash Response System (ICRS). The Intelligent Crash Response System can automatically disable the fuel pump, unlock the door, and turn on the hazard lights in the event of a collision that activates the vehicle’s airbags.† It’s how your Jetta looks after you, even when you can’t.††

Safety cage. Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers. We’ve got your back, your feet, and plenty other sides.

Tire Pressure Monitoring System (TPMS). The Jetta is sensitive, especially when it comes to its tires. To stay efficient and safe, the Tire Pressure Monitoring System alerts you to a loss of tire pressure so you know when to put more air in.

Safety Features
Safety cage | Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers. We’ve got your back, your feet, and plenty other sides.
Adaptive airbags† | Our airbags are designed to adapt to crash severity, and special sensors in the doors help deploy the side airbags faster in the event of a side impact.† We’re thinking ahead, from many angles.
Intelligent Crash Response System (ICRS)†† | The Intelligent Crash Response System can automatically disable the fuel pump, unlock the door, and turn on the hazard lights in the event of a collision that activates the vehicle’s airbags.† It’s how your Jetta looks after you, even when you can’t.††

### Packages

#### Lighting Package

- Bi-functional high-intensity headlights with LED Daytime Running Lights (DRL) and Adaptive Front-lighting System (AFS), interior ambient lighting

**Available on** Jetta GLI, Jetta SE

#### Driver Assistance Package

- Forward Collision Warning, Blind Spot Monitor with Rear Traffic Alert

**Available on** Jetta GLI, Jetta SE

#### Lighting and Driver Assistance Package

- Bi-functional high-intensity headlights with LED Daytime Running Lights (DRL) and Adaptive Front-lighting System (AFS), interior ambient lighting, Forward Collision Warning, Blind Spot Monitor with Rear Traffic Alert

**Available on** Jetta GLI, Jetta SE

*Requires compatible device. **VW Car-Net services provided by Verizon Telematics, Inc. Trial or paid subscription may be required. †Do not rely exclusively on the Forward Collision Warning system. The system does not replace your own visual and auditory surroundings and cannot work under all conditions or circumstances. ††Do not rely exclusively on Blind Spot Monitor. Always check surrounding traffic and use your turn signal. The feature's function may be limited and depends on many factors. See Owner's Manual for details. ‡‡The Intelligent Crash Response System will only activate in the event of a crash. Consult the Owner’s Manual for details on all features and functionality.

**Carefree Maintenance® Program**

- 1-year/10,000-mile (whichever occurs first) no-charge scheduled maintenance
- 3-year/36,000-mile (whichever occurs first) Roadside Assistance
- 3-year/36,000-mile (whichever occurs first) New Vehicle Limited Warranty
- 5-year/60,000-mile (whichever occurs first) Powertrain Limited Warranty

Jetta Accessories

Accessories installed prior to new vehicle’s delivery are covered for the new vehicle’s Limited Warranty period. Accessories installed by a Volkswagen authorized dealer during the new vehicle’s Limited Warranty period are covered for the greater of the remainder of the new vehicle’s Limited Warranty period, or 12 months or 12,000 miles, whichever occurs first.

The Volkswagen Carefree Maintenance Program covers the vehicle’s first scheduled maintenance for one year or 10,000 miles, whichever occurs first, on 2015 models. This program does not apply to 2009-2014 models. Some limitations apply. See dealer or vehicle maintenance program booklet for details, including scheduled service intervals.

©2014 Volkswagen of America, Inc. Printed in the U.S.A. Volkswagen of America, Inc., believes the specifications in this brochure to be correct at the time of printing. Specifications, standard equipment, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about availability of options and verify that the vehicle you ordered includes the equipment you ordered. Tires are supplied and warranted by their manufacturer: “Volkswagen,” the Volkswagen logo, “Das Auto,” “Jetta,” “TDI,” “GTI,” “GTI,” “DSG,” and “Think Blue” are registered trademarks of Volkswagen AG. “Carefree Maintenance,” the Carefree Maintenance logo, “Climatronic,” and “Car-Net” are trademarks or registered trademarks of Volkswagen Group of America, Inc. “Bluetooth” is a registered trademark of Bluetooth SIG, Inc. “SiriusXM Satellite Radio,” “SiriusXM Traffic,” and “SiriusXM Travel Link” subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. See Customer Agreement for complete terms and more information at www.siriusxm.com.

©2014 Sirius XM Radio Inc. Sirius, XM, and all related marks and logos are trademarks of Sirius XM Radio Inc. Volkswagen OEM navigation depends on the signals from the worldwide Global Positioning Satellite networks. The vehicle’s electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to you. These will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com. VW15JSBUS
