The midsize car with plenty of room for customization. Performance and design. Features and technology. Comfort and safety. Yes, the Volkswagen Passat has a lot going for it, including an impressive collection of VW Accessories to help make it your own. From body styling components and interior accents to the things that help keep your car looking shiny and new—explore all the possibilities. Get lost in the fun.
A real attention getter.

The attractive styling of the Passat gets an extra kick with these sporty new accessories. From an impressive body styling kit to a variety of striking accent pieces, customize your Passat to be truly one of a kind.
18 inches. Sharp.

With striking good looks, these wheels were made to turn heads. And because they’re designed exclusively for your Passat, they complement both the style and performance of your car beautifully. Add wheel bolts and your look is totally locked in.
Forward technology. Even in reverse.

Music. Maps. And more. Sometimes your car is more than just your ride. It’s your office. And sometimes it’s your studio. When it’s time to put it all in park, let this helpful accessory be your guide: Park distance control. While your car is in reverse, its four sensors and acoustic warning function help alert you to obstacles and potential damage to your bumpers.*

*Requires compatible device. Always pay careful attention to the road and do not drive while distracted.
