2015 Beetle
The icon that taught fun how it’s done. There’s no mistaking a Beetle. It’s a bold statement. A true original. One of one. Add a turbocharged engine to the heart of this icon and the thrill quickly shifts into a whole other gear. So wipe that smile all over your face. Because fun just got a lot more fun. That’s the Power of German Engineering.
Original soul.

Design/Performance. You know the shape once you see it. That unforgettable profile. Those classic headlights. It’s new and familiar all at the same time. With more sculpted lines, available red brake calipers, and a sporty, leather-wrapped steering wheel, this Beetle hits on all cylinders before you even hit the road. It wants to take on the next straightaway. It wants to take on every curve. *It wants you in the driver’s seat.

In a more spirited body.
Turbocharged. Because fun is out there somewhere.

Performance. A good time won’t be hard to find. You have three powerful turbocharged engines to choose from. From there, there’s an available XDS® Cross Differential System for better cornering. And choose an available DSG® automatic transmission that gives you the option of enjoying ultra-fast shifts or shifting manually.* So don’t just sit there. You’re about to find fun around every corner.

2.0L TSI® engine
- 210 horsepower
- 207 lb-ft of torque

1.8L TSI® engine
- 170 horsepower
- 177 lb-ft of torque

2.0L TDI® Clean Diesel engine
- 150 horsepower
- 236 lb-ft of torque

*Always obey speed and traffic laws. **2014 Beetle 1.8L TSI, 5-speed manual transmission: 24 city/33 highway mpg EPA estimates. 2014 Beetle TDI Clean Diesel, 6-speed manual transmission: 28 city/41 highway mpg EPA estimates. 2015 EPA estimates not available at time of printing. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.
The modern icon. Unveiled.

Design/Convertible. We took the Beetle that people know and love and blew it wide open. A simple push of a button on the Beetle Convertible lifts the roof for some serious fun in the sun. But you'll still see those unmistakable curves and characteristic headlights. It's a Beetle inside and out. Just modernized. And just as iconic.

Rear spoiler. Every Beetle Convertible now comes with a rear spoiler that doesn't just increase its sportiness, it helps decrease drag when your Beetle is cutting through the wind. And gives people behind you something else to stare at. **

Retro-modern gauges. We took that familiar cluster of gauges from the original Beetle and gave it a more modern look. It's like you're looking into the past, but seeing into the future.

Bi-Xenon headlights. Brighter than traditional halogen headlights, our Bi-Xenon are framed by a distinctive row of LEDs for a modern take on a classic look. The entire package is designed to help you see. And be seen. *

Power-retracting soft top with simple 1-step operation

Only convertible in the U.S. with an available clean diesel

LED license plate lighting*

Syncs up with your senses.

Interior/Technology. Sit inside the Beetle and you’ll feel that instant connection. It starts with the flat-bottom, multi-function steering wheel in your hands and the available sport seats with leather seating surfaces that hug your body as you hug the road. It continues with the available touchscreen sound system and Volkswagen Car-Net® connected car features,* which can help you find the nearest restaurant or the farthest getaway. You and your Beetle are one.

Fender® Premium Audio System
Fender made its name with live performances, so it’s no surprise an available sound system with their name on it would really rock. With 400 watts blasting through nine speakers, you’ll always be front row center.

*VW Car-Net services provided by Verizon Telematics, Inc. Available on select models. Trial or paid subscription required to access all features. Destinations feature requires compatible factory-installed navigation system. VW Car-Net services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. See Terms of Service, Privacy Policy, and other details at www.vw.com/carnet/info. Always pay careful attention to the road, and do not drive while distracted. **Feature available on select models.

Leather-wrapped, multi-function steering wheel
Leather seating surfaces**
Touchscreen navigation system**
Customizable interior ambient lighting
You’re in the hot seat.

Get behind the wheel of the Beetle, and get ready. Because it’s the perfect place to be cradled by the available sport seats when you start hugging corners. The perfect vantage point to take in the available performance gauges with lap timer and customizable ambient lighting that gives off a beautiful glow. Of course, if all that’s not hot enough for you, the front seats are even heated. Is it getting warm in here?

*Always obey local speed and traffic laws.
Safety. We’ll be the first to admit, looking good will only get you so far. And since we want you to go as far as possible with your Beetle, we made it safe. In fact, the 2014 Beetle Coupe received a 5-star overall rating from the NHTSA.†† Plus, with both active and passive safety features working together in unison, you won’t ever give peace of mind a second thought. Safety. It’s a beautiful thing.

One cannot get by on good looks alone.

We also made it safe.

Tire Pressure Monitoring System (TPMS). The Beetle is alert, especially when it comes to its tires. To help stay efficient and safe, the Tire Pressure Monitoring System notifies you to a loss of the tire pressure so you know when to put more air in.

Seven stability-enhancing systems. Almost every new car has stability control nowadays. But very few car companies go to the extra length we do to help you maintain control. Like including Anti-Slip Regulation and an Electronic Differential Lock, to name a few. It’s nice to be in control.

Intelligent Crash Response System (ICRS). The ICRS can automatically disable the fuel pump, unlock the doors, and turn on the hazard lights in the event of a collision that deactivates the vehicle’s airbags. It’s how your Beetle looks after you, even when you can’t.

Adaptive airbags. Our airbags are designed to adapt to crash severity, and can react faster in the event of a side impact. We’re thinking ahead, from every angle.

Automatic Rollover Support System. Just when you thought it couldn’t get safer, we added an Automatic Rollover Support System to the Beetle Convertible that deploys two hidden steel beams from behind the rear head restraints to help keep you safe in the event of a rollover.

Safety cage. Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers. It looks like we’ve got your back, front, and every other side.

Adaptive airbags. Our airbags are designed to adapt to crash severity, and can react faster in the event of a side impact. We’re thinking ahead, from every angle.

For a car that loved the world over its seek to have some pretty cool nicknames in different languages. So feel free to pick out a nickname in your own language. Or one that just speaks to you.

**Nickname Badging**

Wheels don't just make your car go sometimes they make the car, period. Choose your alloy wheels in different sizes and different looks. And be prepared to hear, "Nice wheels!"

**Accessory Wheels**

Want to have your Beetle really stand out? Add a racing stripe right down the middle or right on the sides. These available second skins are designed to make a great first impression.

**VW Second Skin Graphics**

Your Beetle was made for making a statement. Built for building upon. Give it a more aggressive look with larger, sportier alloy wheels. Add custom graphics like a racing stripe down the middle. That's just a start. We'll let you put on the finishing touches.
### Beetle Specs

**Dimensions**
- L: 168.4 inches (4,278 mm)
- W: 71.2 inches (1,808 mm)
- H: 58.5 inches (1,486 mm)
- Rear Track: 60.9 inches (1,546 mm)
- Front Track: 62.2 inches (1,579 mm)

**Engine**
- 1.8-liter, 16-valve, in-line 4-cylinder turbocharged clean diesel engine with common rail direct fuel injection; 150 hp, 236 lbs/ft of torque

**Transmission**
- 6-speed DSG® automatic transmission with Tiptronic and Sport mode and with steering wheel-mounted paddle shifters
- 6-speed manual transmission
- 6-speed automatic transmission with Tiptronic® and Sport mode
- 5-speed manual transmission

**Suspension**
- Sport suspension
- Rear-wheel-drive

**Wheels and Tires**
- 19" alloy wheels
- 17" alloy wheels
- Halogen reflector lens foglights with low-speed corner-illuminating feature
- Power-folding soft top with simple 1-step operation
- Power tilting/sliding, tinted panoramic sunroof
- R-Line badging
- Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL)

**Power**
- Automatic Vehicle Illumination
- Tire Pressure Monitoring System (TPMS)
- Automatic Rollover Support System
- Electronic Stability Control (ESC), Anti-Slip Regulation (ASR), Electronic Differential Lock

**Safety**
- 3-point safety belts for all 4 seating positions
- Driver and front passenger front airbag supplemental restraint system†
- Immobilizer III theft-deterrent system
- Crash-optimized front end

**Media**
- SiriusXM® Satellite Radio with 3-month trial subscription
- Media Device Interface (MDI) with iPod® cable**
- Bluetooth with audio streaming**
- Volkswagen Car-Net® connected car features*
- Fender® Premium Audio System
- RNS 315 navigation system with 5" color touchscreen in center console and SD memory card reader
- 8-speaker sound system with MP3- and WMA-compatible in-dash CD player and AM/FM radio

**Interior**
- Sport seats with leather seating surfaces
- Sport seats with cloth seating surfaces
- V-Tex leatherette seating surfaces
- Fully upholstered luggage compartment
- Front heated seats
- Heated steering wheel
- Multi-function trip computer featuring trip time, trip length, average trip speed, average trip fuel consumption, current fuel consumption, miles to empty, radio station display

**Technology**
- 6 speaker sound system with 6-disc CD changer, SD memory card reader, and 8 speakers
- Bluetooth® hands-free system

**Exterior**
- Exterior Colors
- Interior Colors
- Standard Wheels

---

**Carefree Maintenance® Program**
- 1-year/10,000-mile (whichever occurs first) no-charge scheduled maintenance
- 3-year/36,000-mile (whichever occurs first) Roadside Assistance‡‡
- 5-year/60,000-mile (whichever occurs first) Powertrain Limited Warranty‡
- 12-year/unlimited distance Limited Warranty Against Corrosion Perforation‡

---

**Disclaimer**
This brochure contains general vehicle information. Visitors should always refer to www.vw.com/carnet/info for the most current vehicle information. Always pay careful attention to the road, and do not drive while distracted. **WARNING**
- Front airbags can cause serious injury or death to children and passengers seated in the rear seat. Children and passengers in the rear should be properly restrained using restraint systems appropriate for their size and age.††The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy. Blinds spots can prevent the ICRS from activating. Be sure to drive safely and on guard. Model year warranties and services are subject to change. See dealer or vehicle maintenance program booklet for details, including scheduled service intervals.

---

**Performance 1.8T TDI R-Line**
- Standard, as shown on page 6
- Black-painted running boards and exterior mirrors
- Heated windshield washer nozzles
- 19" alloy wheels
- Halogen reflector lens foglights with low-speed corner-illuminating feature
- Power-folding soft top with simple 1-step operation
- Power tilting/sliding, tinted panoramic sunroof
- R-Line badging
- Bi-Xenon high-intensity headlights with LED Daytime Running Lights (DRL)
Some products have a warranty that differs from Volkswagen of America’s duration of New Car Limited Warranty or its 12-month/12,000 mile (whichever occurs first). Parts and Accessories Limited Warranty. See dealer for details of Volkswagen limited warranty. *VW Custom Car Covers by Cover King are covered by a Cover King limited warranty. Please visit www.vwcarcovers.com for additional information.

The Volkswagen Carefree Maintenance Program covers the vehicle’s scheduled maintenance for one year or 10,000 miles, whichever occurs first, only on 2015 models. This program does not apply to 2009-2014 models. Some limitations apply. See dealer or vehicle maintenance program booklet for details, including scheduled service intervals.
